Birthday Party Invitation

Hi Mary,

It's my birthday next Saturday, June 4th. I'm having a party at my house from 2 until 7. Can you come? I hope so. It's going to be a lot of fun.

We are going to decorate the house with balloons and streamers. At the party we are going to play games and after that we are going to have birthday cake and ice-cream. I'm going to have a DJ too so there will be great music and dancing.

Please let me know if you can come. Hope to see you on Saturday.

I LOVE READING

My friends don't like reading. They say it's boring!

Boring?? I love reading! It's great!! I spend hours reading books. There are always interesting stories to read and things to learn.

My dad used to read to me before going to bed when I was a little boy. The stories were full of witches, gnomes, haunted castles, giants, elves, ogres, princes, princesses, fairies, wizards, genies...., fascinating characters that made me live incredible moments! I remember one about a dragon and a princess. I liked to imagine that I was the brave guy, the knight that saved the princess that was locked in a tower.

I prefer other types of stories now because I'm older. I particularly enjoy reading action and adventure stories. It's fun to believe that I'm the hero who fights the bad guys! Fantasy and space stories with aliens are my favorite too.

Boring??? Reading can never be boring!!!
