	Semana		Tiempo	
	Curso	8° básico	Pje. ideal	20 pts.
	Docente	Viviana Mella	Pje. logrado	
	Estudiante		Nota	

Objetivo de la clase: (OA 7) Leer escuchar y comprender textos sobre temas comunes y de la vida diaria expresando opiniones y sentimientos, manifestando una actitud positiva frente a sí mismo y sus capacidades para aprender y usar el idioma, valorando a la vez los logros de los demás.

Habilidades: Comprensión lectora, auditiva y escrita

INSTRUCCIONES: Lee cuidadosamente antes de responder.

I Watch the video “Water Pollution” and answer the following questions. (8 pts)

1. What is the video about?

2. Write with your own words 2 effects of water pollution.

3. Write with your own words 2 ideas to control water pollution.

4. Write with your own words 2 natural causes or human causes for water pollution.

II Read and draw a line from each word to join with the correct meaning. (12pts)

- recycle

Most food packaging and bottles are made from this

- paper

To use something again, rather than buy a new one.

- plastic

To make smaller or less of something.

- reuse

Waste, trash, items we do not need or want.

- rubbish

To make something old into something new.

- reduce

Made from trees, we use and write on this a lot
